Notes

Add your personal notes

If you want to remove the lecture from «My Agenda», click on «Check Out»

The screenshot shows the BBScongress platform interface. On the left, there's a sidebar with links: Announcements, Events, My Agenda (which is highlighted with a red box), Attendees, Notes, Messages, and Sponsors & Exhibitors. The main content area shows the agenda for 'SwissAnaesthesia 2020 - Thursday, Oct. 29'. It lists a session titled 'Refresher Course I & II' from 09:40 - 10:15. A specific presentation is highlighted with a red box: 'From acute to chronic pain what prophylaxis should we use?' by Prof. Ulrike Stomer. A red arrow points to the 'Check Out' button next to the speaker's name.

During the presentation, you can ask a question or comment on the presentation under «Ask a question or leave a remark» below the video. Comments will only appear to everyone after the chairs approved it.

The screenshot shows the 'Ask a question or leave a remark' section. It includes a list of speakers and moderators, and a guestlist. Below this is a large input field with a red arrow pointing to it, labeled 'Ask a question or leave a remark'. The input field contains placeholder text: 'There is no comment...' and 'Your message...'. A small blue icon with a downward arrow is located at the bottom right of the input field.

Sponsors & Exhibitors

The SSAR and BBS Congress GmbH are very grateful to the sponsors who support SwissAnaesthesia 2020. Without them a virtual congress with such low participation fees would not be possible.

We highly recommend a visit to the Sponsors & Exhibitors page (click on the arrow to visit a booth or a website.). The Sponsors and Exhibitors are looking forward to get in contact with you!

The screenshot shows the 'Sponsors & Exhibitors' page. On the left sidebar, the 'Sponsors & Exhibitors' button is highlighted with a red box. The main content area is divided into three sections:

- Platinum Sponsors with virtual booth:** Contains three cards for Edwards Lifesciences SA, Sintetica SA, and MSD Merck Sharp & Dohme AG, each with a blue '→' button.
- Platinum Sponsors without virtual booth:** Contains three cards for AbbVie AG, Getinge, and Dräger Schweiz AG, each with a blue '→' button.
- Exhibitors:** Contains three cards for VIFOR PHARMA, BAYER, and gd medical tomorrow today.

On the virtual booth (click on Communication), you can interact with the company.

The screenshot shows the Bitmedical AG virtual booth. The sidebar has a red arrow pointing to the 'Sponsors & Exhibitors' button. The main area shows the Bitmedical AG logo and a large orange digital wave background. Below the logo are tabs for 'Details', 'Products', and 'Communication'. The 'Communication' tab is selected, showing a blue input field with placeholder text 'Ask a question here' and a message box with 'Your message...'. A red arrow points to the bottom right corner of the message box.

Credits

You will receive the confirmation of attendance by e-mail after the congress. Credits are calculated per half day based on your presence on the platform. (Example: If you are logged in on the platform in the morning, you will receive credits for half a day. If you are logged in both in the morning and in the afternoon, you will receive credits for two half days, etc.)

Contact

Please contact us by e-mail (sujani.ragumar@bbscongress.ch or adrian.koenig@bbscongress.ch) or call us on +41 31 331 82 75 for any help.
