Cleaning/-disinfection (in absence of the stand staff)

If stand cleaning is ordered in advance (CHF 4.00/m²), e.g. after the end of the exhibition in the evening of the first congress day, only the surfaces will be cleaned or disinfected. We will be happy to disinfect your entire stand after setup or before teardown. If stand disinfection is requested, the standconstructor must confirm the time required by CKI for cleaning (after the end of construction or after the start of teardown) in advance to include this time frame in his schedule.

Prices stand disinfection:

Cleaning CHF 4.00 per square meter for surfaces, in addition to the employee costs for the remaining stand disinfection at CHF 55.00 per employee/hour - times are defined after consultation with CKI.
